

# DIY Snow globe

You will need:

Glass purity bottle and lid

A plastic toy or figurine or tree ornament

Glycerine

Water

Glitter

Strong hold glue

Steps:

1. Wash and dry your glass purity bottle.
2. Glue your plastic toy or figurine or tree ornament on the inside of the lid of the purity. Leave to dry.
3. Fill your purity bottle with warm water
4. Add a teaspoon of glycerine. (baby oil did not work for this.)
5. Add 4 tablespoons of glitter.
6. Glue the lid on the bottle.  
Shake.
